Candlelight Ceremony For Initiation of F. H. A.

and Mrs. J. C. Carlton, honorary

In a candlelight ceremony, thir-

ty-six members were initiated into

the Hope Chapter of the F. H. A

at the Home Economics cottage

The meeting was called to order

by the president, Anita Burson.

Betty Rexroat, JoAnn Huett, and

Quetta Smith ushered in the new

members. Those on the program

were seated around a table covered with a white cloth on which the

organization's emblem was dis-

placed in the center of the table.

As Rowens Rowe, Judy Arnold,

Velma Jo Reese, Alice Neal, San-dra Johnson, Yonda Worthey, Be-

velyn Ball, and Barbara Powell repeated the eight purposes of the organization, each lit one of the eight candles which surrounded a

red candle, denoting the spirit of Home Economics. This candle

purned throughout the ceremony, Emblems were then pinned on the new members by Linda Polk

Candlelight Ceremony For Initiation of F. H. A.

and Mrs. J. C. Carlton, honorary

In a candlelight ceremony, thir-

ty-six members were initiated into

the Hope Chapter of the F. H. A

at the Home Economics cottage

The meeting was called to order

by the president, Anita Burson.

Betty Rexroat, JoAnn Huett, and

Quetta Smith ushered in the new

members. Those on the program

were seated around a table covered with a white cloth on which the

organization's emblem was dis-

placed in the center of the table.

As Rowens Rowe, Judy Arnold,

Velma Jo Reese, Alice Neal, San-dra Johnson, Yonda Worthey, Be-

velyn Ball, and Barbara Powell repeated the eight purposes of the organization, each lit one of the eight candles which surrounded a

red candle, denoting the spirit of Home Economics. This candle

purned throughout the ceremony, Emblems were then pinned on the new members by Linda Polk

Foreign Aid to Be Ike's **Big Problem** BY JAMES MARLOW Associated Press News Analyst

Associated Press News Analyst
WASHINGTON (M—One of President Eisenhower's biggest problems in 1957 will be foreign aid. How much and for whom? The Moscow might encourage others the Middle East has heads spinning here.

Congress, increasingly crticial, this year chopped a billion dollars off the foreign aid. Elsenhower asked. What it does next year depends on the whole uncertain world picture.

It is pechaps the most confused picture faced by an American president since the aid program. For a while it also seemed the facen by Since July 1, 1945, this government has shoveled out more than 31 billion dollars, over 141½ billions of it military.

The purpose under Presidents

Trumpa and Eisenhower's Presidents

Eisenhowerth ought otherwise
Ho, like truman, felt that helping one satellite which broke with that helping one satellite which broke with the helping one satellite which broke with thinks so. And Congress may have to wread a children's clinic with more than 31 billion dollars.

Eisenhowerth ought that helping one satellite which broke with the line of fire was a children's clinic with more than 100 sick youngsters in it.

Doctors and nurses sent out despends to spare the building. But the Red Army gunners were turhlessly deaf to the 'appeals.

Hospital authorities telephoned the British legation, which in turn appealed to the Soviet Embassy. The Red Embassy replied it could onothing.'

Red Army guns fire right through the clinic as nurses and doctors sought to shield the screaming children.

For a while it also seemed the Hungarians had not only cut loose from Moscow but had overthrown their Communist masters. Then all before this hap-bead.

The purpose under Presidents Research have the cliff while searching for him, looked over the legal of the same to the cliff while searching for him, looked over the said him he program in the said of the same and another man took the children.

Eisenhower had to the said over agan.

Foreign Aid to Be Ike's **Big Problem** BY JAMES MARLOW Associated Press News Analyst

Associated Press News Analyst
WASHINGTON (M—One of President Eisenhower's biggest problems in 1957 will be foreign aid. How much and for whom? The Moscow might encourage others the Middle East has heads spinning here.

Congress, increasingly crticial, this year chopped a billion dollars off the foreign aid. Elsenhower asked. What it does next year depends on the whole uncertain world picture.

It is pechaps the most confused picture faced by an American president since the aid program. For a while it also seemed the facen by Since July 1, 1945, this government has shoveled out more than 31 billion dollars, over 141½ billions of it military.

The purpose under Presidents

Trumpa and Eisenhower's Presidents

Eisenhowerth ought otherwise
Ho, like truman, felt that helping one satellite which broke with that helping one satellite which broke with the helping one satellite which broke with thinks so. And Congress may have to wread a children's clinic with more than 31 billion dollars.

Eisenhowerth ought that helping one satellite which broke with the line of fire was a children's clinic with more than 100 sick youngsters in it.

Doctors and nurses sent out despends to spare the building. But the Red Army gunners were turhlessly deaf to the 'appeals.

Hospital authorities telephoned the British legation, which in turn appealed to the Soviet Embassy. The Red Embassy replied it could onothing.'

Red Army guns fire right through the clinic as nurses and doctors sought to shield the screaming children.

For a while it also seemed the Hungarians had not only cut loose from Moscow but had overthrown their Communist masters. Then all before this hap-bead.

The purpose under Presidents Research have the cliff while searching for him, looked over the legal of the same to the cliff while searching for him, looked over the said him he program in the said of the same and another man took the children.

Eisenhower had to the said over agan.

Foreign Aid to Be Ike's **Big Problem** BY JAMES MARLOW Associated Press News Analyst

Associated Press News Analyst
WASHINGTON (M—One of President Eisenhower's biggest problems in 1957 will be foreign aid. How much and for whom? The Moscow might encourage others the Middle East has heads spinning here.

Congress, increasingly crticial, this year chopped a billion dollars off the foreign aid. Elsenhower asked. What it does next year depends on the whole uncertain world picture.

It is pechaps the most confused picture faced by an American president since the aid program. For a while it also seemed the facen by Since July 1, 1945, this government has shoveled out more than 31 billion dollars, over 141½ billions of it military.

The purpose under Presidents

Trumpa and Eisenhower's Presidents

Eisenhowerth ought otherwise
Ho, like truman, felt that helping one satellite which broke with that helping one satellite which broke with the helping one satellite which broke with thinks so. And Congress may have to wread a children's clinic with more than 31 billion dollars.

Eisenhowerth ought that helping one satellite which broke with the line of fire was a children's clinic with more than 100 sick youngsters in it.

Doctors and nurses sent out despends to spare the building. But the Red Army gunners were turhlessly deaf to the 'appeals.

Hospital authorities telephoned the British legation, which in turn appealed to the Soviet Embassy. The Red Embassy replied it could onothing.'

Red Army guns fire right through the clinic as nurses and doctors sought to shield the screaming children.

For a while it also seemed the Hungarians had not only cut loose from Moscow but had overthrown their Communist masters. Then all before this hap-bead.

The purpose under Presidents Research have the cliff while searching for him, looked over the legal of the same to the cliff while searching for him, looked over the said him he program in the said of the same and another man took the children.

Eisenhower had to the said over agan.

Foreign Aid to Be Ike's **Big Problem** BY JAMES MARLOW Associated Press News Analyst

Associated Press News Analyst
WASHINGTON (M—One of President Eisenhower's biggest problems in 1957 will be foreign aid. How much and for whom? The Moscow might encourage others the Middle East has heads spinning here.

Congress, increasingly crticial, this year chopped a billion dollars off the foreign aid. Elsenhower asked. What it does next year depends on the whole uncertain world picture.

It is pechaps the most confused picture faced by an American president since the aid program. For a while it also seemed the facen by Since July 1, 1945, this government has shoveled out more than 31 billion dollars, over 141½ billions of it military.

The purpose under Presidents

Trumpa and Eisenhower's Presidents

Eisenhowerth ought otherwise
Ho, like truman, felt that helping one satellite which broke with that helping one satellite which broke with the helping one satellite which broke with thinks so. And Congress may have to wread a children's clinic with more than 31 billion dollars.

Eisenhowerth ought that helping one satellite which broke with the line of fire was a children's clinic with more than 100 sick youngsters in it.

Doctors and nurses sent out despends to spare the building. But the Red Army gunners were turhlessly deaf to the 'appeals.

Hospital authorities telephoned the British legation, which in turn appealed to the Soviet Embassy. The Red Embassy replied it could onothing.'

Red Army guns fire right through the clinic as nurses and doctors sought to shield the screaming children.

For a while it also seemed the Hungarians had not only cut loose from Moscow but had overthrown their Communist masters. Then all before this hap-bead.

The purpose under Presidents Research have the cliff while searching for him, looked over the legal of the same to the cliff while searching for him, looked over the said him he program in the said of the same and another man took the children.

Eisenhower had to the said over agan.

On Oct. 24, after Poland appeared to have broken at least little away from Moscow. Eisen

Foreign Aid to Be Ike's **Big Problem** BY JAMES MARLOW Associated Press News Analyst

Associated Press News Analyst
WASHINGTON (M—One of President Eisenhower's biggest problems in 1957 will be foreign aid. How much and for whom? The Moscow might encourage others the Middle East has heads spinning here.

Congress, increasingly crticial, this year chopped a billion dollars off the foreign aid. Elsenhower asked. What it does next year depends on the whole uncertain world picture.

It is pechaps the most confused picture faced by an American president since the aid program. For a while it also seemed the facen by Since July 1, 1945, this government has shoveled out more than 31 billion dollars, over 141½ billions of it military.

Trumpa and Eisenhower's Presidents

Eisenhowerth ought otherwise
Ho, like truman, felt that helping one satellite which broke with that helping one satellite which broke with the helping one satellite which broke with thinks so. And Congress may have to wread a children's clinic with more than 31 billion dollars.

Eisenhowerth ought that helping one satellite which broke with the line of fire was a children's clinic with more than 100 sick youngsters in it.

Doctors and nurses sent out despends to spare the building. But the Red Army gunners were turhlessly deaf to the 'appeals.

Hospital authorities telephoned the British legation, which in turn appealed to the Soviet Embassy. The Red Embassy replied it could onothing.'

Red Army guns fire right through the clinic as nurses and doctors sought to shield the screaming children.

For a while it also seemed the Hungarians had not only cut loose from Moscow but had overthrown their Communist masters. Then all before this hap-bead.

The purpose under Presidents Research have the cliff while searching for him, looked over the legal of the same to the cliff while searching for him, looked over the said him he program in the said of the same and another man took the children.

Eisenhower had to the said over agan.

On Oct. 24, after Poland appeared to have broken at least little away from Moscow. Eisen

Foreign Aid to Be Ike's **Big Problem** BY JAMES MARLOW Associated Press News Analyst

Associated Press News Analyst
WASHINGTON (M—One of President Eisenhower's biggest problems in 1957 will be foreign aid. How much and for whom? The Moscow might encourage others the Middle East has heads spinning here.

Congress, increasingly crticial, this year chopped a billion dollars off the foreign aid. Elsenhower asked. What it does next year depends on the whole uncertain world picture.

It is pechaps the most confused picture faced by an American president since the aid program. For a while it also seemed the facen by Since July 1, 1945, this government has shoveled out more than 31 billion dollars, over 141½ billions of it military.

The purpose under Presidents

Trumpa and Eisenhower's Presidents

Eisenhowerth ought otherwise
Ho, like truman, felt that helping one satellite which broke with that helping one satellite which broke with the helping one satellite which broke with thinks so. And Congress may have to wread a children's clinic with more than 31 billion dollars.

Eisenhowerth ought that helping one satellite which broke with the line of fire was a children's clinic with more than 100 sick youngsters in it.

Doctors and nurses sent out despends to spare the building. But the Red Army gunners were turhlessly deaf to the 'appeals.

Hospital authorities telephoned the British legation, which in turn appealed to the Soviet Embassy. The Red Embassy replied it could onothing.'

Red Army guns fire right through the clinic as nurses and doctors sought to shield the screaming children.

For a while it also seemed the Hungarians had not only cut loose from Moscow but had overthrown their Communist masters. Then all before this hap-bead.

The purpose under Presidents Research have the cliff while searching for him, looked over the legal of the same to the cliff while searching for him, looked over the said him he program in the said of the same and another man took the children.

Eisenhower had to the said over agan.
